To Our Parents,

Parents are the primary religious educators of their children. The home is the domestic Church and the place where a child first experiences the Catholic faith. You teach primarily by the example you set. It is extremely crucial for children to experience the love of God in their homes. The St. Alice Religious Education Program can only work in partnership with parents to assist them in living their vocations as the primary educators of their children. Our program merely complements, not replaces, the religious formation children should receive in the home.

So the parish Religious Education Program assists parents in their God-given role as educators of the Faith by 1) providing weekly religion classes for children in a classroom setting; 2) spending time with them in the presence of Our Lord in the church and 3) providing weekly homework that students and parents should work on together 4) providing weekly religious classes for parents in support of being the Domestic Church.

If we can help your child with any additional instructions, please don't hesitate to ask.

Parent Agreement

I the parent of (or adult responsible for) a student in Religious Education at St. Alice am aware and will support that:

- My student is to attend Mass each Sunday and Holy Days of Obligation unless there is a serious obstacle.
- That attendance of class is not a substitute for attending mass.
- My student will have homework, both from their text book and learning their basic prayers.
- My student is not to miss more than 3 classes during the year, and 3 tardies = 1 absent. If a fourth absent did or will occur, I will discuss with the DRE whatever may be relevant to additional absents.
- Adult religious education is important to me and will attend the parent classes.
- I made a promises at my child/ren Baptism to raise them in the Catholic Faith.
